Prelude

†Call to Worship

The Lord is our light, so why should we be afraid?

The darkness of disappointment is real.

The pain from broken relationships is overwhelming.

The Lord is our salvation, protecting us from danger, so why should we worry?

Prejudice and disrespect attack us.

Enemies plot to harm us, and war threatens to break out.

We are beloved children, so where is God?

Will God hear us and deliver?

We remember the many times God has rescued us from past adversity, and give thanks.

We remember, as we wait. We are never alone. Let us worship our God with hearts of praise.
